## ARE YOU READY FOR SOCKTOBER 2016?

Last year, 3.5 million people were homeless in America. That's 3.5 million without shelter, food and clothing. To help those in need, especially during the harsh winter seasons, the Heart of America Council is teaming up with The Call KC in 2016.

Starting on October 1<sup>st</sup>, units from all 16 districts will be collecting new pairs of socks to donate to homeless organizations before the upcoming winter. Then at the end of the month, donations from each troop, pack, crew and team will be delivered to a charity in its district. It's a perfect way for scouts to directly serve the less fortunate in their communities.

## HELP US HELP OTHERS

To participate, visit [thecallkc.org](http://thecallkc.org) and click on the 'Socktober' link at the bottom of the homepage or email [outreach@thecallkc.org](mailto:outreach@thecallkc.org) for more info. A staffer from the organization will reach out to provide details and confirm accommodations.

# Why Journey To Excellence?

**Thank you for taking the time to enter your service project hours!**

Search Institute®, headquartered in Minneapolis, MN, is an independent, nonprofit, nonsectarian organization committed to helping create healthy communities for every young person. Their research has identified 40 Developmental Assets that are powerful influencers on adolescent behavior—both protecting young people from many different problem behaviors and promoting positive attitudes and behaviors. Studies of more than 2.2 million young people in the United States consistently show that the more assets young people have, the less likely they are to engage in a wide range of high-risk behaviors and the more likely they are to thrive. This power is evident across all cultural and socioeconomic groups of youth.

One of those 40 developmental assets is **Service to Others** where the child has opportunities to help others in the community. Today, youth and volunteers are looking for ways to serve their communities, and at the same time, service organizations need dedicated volunteer help. By working together, we can positively benefit in the development of young people, our communities, and the nation.
