Do you have an “O.A.R.”  
helping row our District Canoe?

## OA Representative - (Unit)

<https://oa-bsa.org/resources/ucl-support/unit-rep>

It will be vital to our upcoming year that we have as many Units represented. They will also be leading unit elections and communication between the District and units. We will engage them with leadership opportunities each month as well as they will be the voice and have input on District Activities and ideas.
