## Brotherhood Buzz

*A word from the chapter chief-* Hey everyone, as the year comes to a close I'm super happy to see all the things that have happened this year. I hope to continue the progress with the upcoming year with our new team of leadership! But as one last event you all should come out to the Winter Banquet to help us celebrate the new year with fun games and awards! Everyone including friends and family is welcome to come on January 3rd. Come celebrate the new year and join us for the Winter Banquet!!
