

May 2025 Roundtable

Editor: Vice Chief of Admin Christian Hector, Associate Adviser Anthony Wilke

Brotherhood Buzz

This past weekend the 25-26 was the first of 4 full Induction dates for Tamegonit Lodge. We had great participation this weekend with many of our Scouts and Arrowmen helping out. We had 11 Scouts and Scouters undertake and achieve the rank of Ordeal and 6 Ordeal members go on to seal their membership in the Order of the Arrow by taking on the Rank of Brotherhood. In addition we had 20 members of our chapter there and cheerfully giving their time and service to the Lodge. We had Arrowmen volunteer for everything from Runner, Elangomat, Nimat, Ceremony team, Kitchen, Registration, and Work Crew Leaders. Our Chapter greatly appreciates your service. To all those that joined our Order and those that completed their Brotherhood, our Chapter congratulates you and looks forward to your cheerful service in the future.

Service Scoop

Saturday April 5th, our chapter hosted a district-wide service project for all units to help with. The service project was picking up trash alongside I-435 and Cookingham, starting at 3pm. The service project went very well, with about 30 scouts in attendance and an hour and a half of service completed. Immediately following the service project, at the Salvation army on North Oak our chapter also hosted our second annual Order of the Arrow chapter call out. Thank you to all those who participated, and we look forward to hosting more exciting service events after summer camp!

Covey's Calendar

North Star Chapter

- Unit elections must be completed by August 6th. It is the last day to complete any unit elections to ensure participation in the last lodge induction for the year.
- NO Chapter meetings in June and July, we will reconvene in August
