

Troop 376

Leadership Training

Strategic Planning

- Upon the completion of the Troop's election, the newly elected Senior Patrol Leader works with the Scoutmaster to create their Vision Statement.
- The SPL's vision statement creates an overview of how their leadership, over their leadership term, will further the Troop towards our mission statement.

Strategic Planning

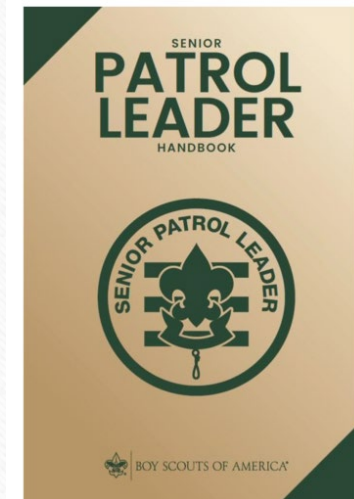

- The Senior Patrol and Assistant Senior Patrol Leaders will formulate their objectives and goals to meet the vision statement.
- They will use the SMART method to write their goals and objectives.
- Monthly PLC Meetings are used to review and track these goals and objectives to see if they are being met.

Personal Leadership

- Troop works with our scouts to identify their strengths and weaknesses in their leadership.
- Work through some of the stages of forming a team
 - Forming
 - Storming
 - Norming
 - Performing

Promotion of Leadership

- Help provide ways for scouts to use their leadership skills
- Give them the opportunity to build on their skills with NYLT

Youth Lead

- Presentations by NYLT trained youth
- Team building games and demonstrations from leadership
- Patrol break out time
- Service Project
